

HHS PARKING Rules/Regulations - 2025-2026 School Year

Parking a vehicle on school property is a privilege. All students must obey school rules and laws, to retain this privilege.

Permit Requirements & Eligibility:

- Only eligible Juniors and Seniors with a valid driver's license may purchase one (1) parking permit from the Main Office for \$10.00.
- Current vehicle registration is required when applying for a permit.
- Permits are required due to limited parking and the need to ensure student safety (referencing Canyons School District Policy 500.26).
- Permits may not be obtained under false pretenses (e.g., purchasing for another student). Violations may result in the immediate revocation of parking privileges for the duration of the student's enrollment at Hillcrest. Vehicles associated with a revoked permit are not permitted on campus.

Permit Display:

- A current Hillcrest permit must be visibly affixed to the inside lower right-hand corner (passenger's side) of the front windshield.
- The sticker must be placed directly on the windshield, not taped or placed in a sleeve.
- Vehicles with improperly displayed or unreadable permits will be considered as not having a permit and are subject to ticketing.

Permit Transferability & Replacement:

- Permits are non-transferable.
- If a vehicle is sold, in an accident, or has a windshield replaced, the old sticker must be removed and brought to the Main Office for a replacement.
- Replacement permits cost \$10.00.
- Students remain responsible for any tickets associated with lost permits.

Parking Regulations:

- Vehicles must be parked within the marked lines of designated student parking spots only.
- Parking is available on a first-come, first-served basis due to limited space. Students must find alternative parking if the lot is full. Parking in adjacent neighborhoods is discouraged. Overflow parking is next to the LDS seminary building, located on the southwest side of HHS.
- Time spent searching for parking or walking to the building does not excuse tardiness to class. Students must plan accordingly.

Vehicle Conduct & Safety:

- Vehicles must be properly maintained and display necessary registration/inspection stickers following local and state laws.
- Vehicles may not contain illegal substances (such as, but not limited to, alcohol, tobacco, drugs), stolen merchandise, or weapons of any type while on school property or at school activities.
- Sitting in vehicles or loitering in the parking lot during the school day is prohibited.

School Authority Jurisdiction:

- School authorities have jurisdiction over vehicles on school property. With reasonable cause and in the student's presence, authorities may search a vehicle and seize improper materials found therein, consistent with appropriate law.

Enforcement & Violations:

- Vehicles parked without a valid permit are subject to booting. A \$50 boot removal fee and purchase of a permit are required for boot removal.
- Vehicles parked in the designated Drivers Education lot after 2:45 pm are subject to towing at the owner's expense.
- Citations will be issued for illegal parking (e.g., red/yellow zones, non-spots, visitor, faculty, handicapped) and non-compliance with rules.
- Citation costs: 1st Citation: \$30.00; 2nd Citation: \$40.00; 3rd Citation: \$50.00 + Boot.
- The boot will be removed only after all outstanding tickets are paid in full.
- Multiple instances of booting may result in towing at the owner's expense.

Temporary Permits:

- In emergency or mitigating circumstances (e.g., driving a non-permitted vehicle for up to one week), a permitted student may obtain a temporary permit from the Main Office after consulting with the parking administrator. Obtaining the temporary permit is the student's responsibility.

Appeals:

- Students with a valid permit may appeal.
- Appeals must be submitted online only via the QR code below.
- Appeals are not accepted in person or via email.
